SCHOOL OF PHYSICAL ENVIRONMENTAL AND MATHEMATICAL SCIENCES

Research Associate

Salary: Level A: \$60, 655 - \$80, 874pa + super

This position is a Two-year fixed-term contract with the possibility of extension subject to funding.

The School of Physical, Environmental and Mathematical Sciences at the UNSW Canberra in conjunction with the Sino-Australian Research Centre for Coastal Management (CCM, <http://pems.unsw.adfa.edu.au/SARCCM/index.html>) invites applicants for a postdoctoral research associate role in support of research activities at the newly established interdisciplinary/multidisciplinary Centre.

The successful applicant will be responsible for design and implementation a field campaign to observe fluid mud layers in Darwin Harbour, Australia, and Shanghai Port, China, and development of predictive models to investigate these layers. Opportunities exist to work with economists, port managers and planners to evaluate the potential socio-economic benefits by developing adaptive tools to solve water quality and siltation problems in muddy ports and harbours in Australia and China. You will also be involved in limited teaching activities both at undergraduate and postgraduate levels at UNSW Canberra.

Please note that Previous Applicants need not apply

Position description is available at: <http://hr.unsw.adfa.edu.au/employment/index.html>

For additional information regarding the position, please contact Associate Professor Xiao Hua Wang, on (02) 62688473 or email: hua.wang@adfa.edu.au

Applications must systematically address the selection criteria and include a resume and the names and addresses of at least three referees.

Applications which do not address the selection criteria may not be considered.

Membership of UniSuper superannuation scheme is a condition of employment.

Written applications should be submitted to HR Recruitment, UNSW Canberra Northcott Drive, Canberra, ACT 2600, or you may email your application to uni.college.recruitment@adfa.edu.au.

People from EEO groups are encouraged to apply.
